

AMES DEVELOPED BY THE LATVIAN LANGUAGE AGENCY FOR PRESCHOOL AND PRIMARY SCHOOL CHILDREN FOR LEARNING THE LATVIAN LANGUAGE

1. Application *Where are we located? In Latvia!*

The game creates interest and allows you to get to know Latvian culture and natural diversity, as well as helps children expand their vocabulary.

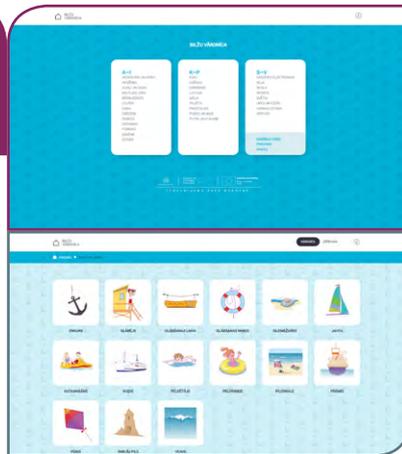

The player goes to get to know Latvia and ends up in a meadow, forest, fairy tale, city and by the sea, by performing three tasks. After obtaining a certain number of points, the talisman of each theme is revealed.

When all 6 talismans are revealed, the player wins the main prize - a Latvian friendship bracelet.

The game is suitable to play on a personal computer, but it can be downloaded also as a mobile application.

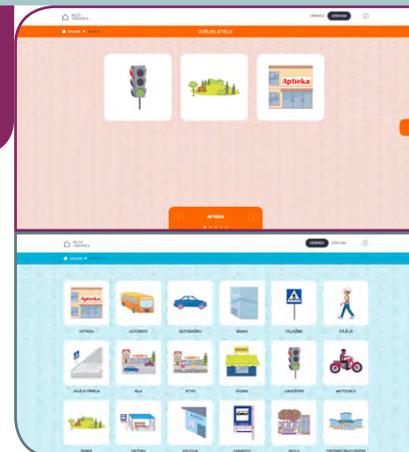

2. Picture dictionary of the Latvian language

The vocabulary of the picture dictionary is organised thematically and supplemented with interesting tasks. At the beginning, the user of the dictionary learns the vocabulary, then chooses the tasks corresponding to the topic and strengthens his/her knowledge.

Picture dictionary is suitable to play on a personal computer, but it can be downloaded also as a mobile application.

3. Game *Find the letters!*

The player's task is to listen for and find the indicated letters in the letter cells.

The player also sees the result on the screen.

4.

Game *Find the words!*

The player's task is to find the indicated words. The words in the game are summarised into 10 thematic groups: *I am a pupil, On the street, At home, Let's get dressed, We are cooking, Holidays, In the countryside, Gifts of nature, At the zoo, Sports.*

5.

Game *Listen and speak!*

The tasks in the game are arranged in six thematic groups: *Holidays, Countryside, Day-off, House, City, School.* The game is intended for enriching the player's vocabulary. Each theme has 4 sub-themes, each sub-theme includes 2 tasks (totally 48 tasks).

6.

Game *Valodiņa*

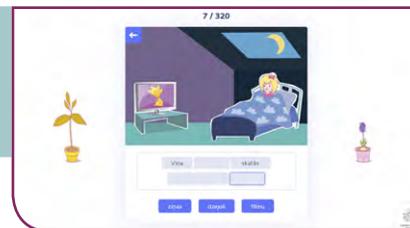

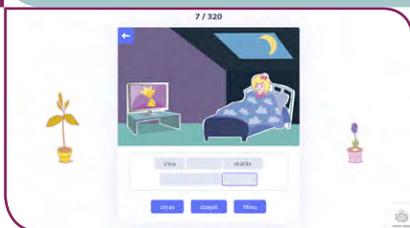

The game includes 10 language adventures: *On my/his birthday, In the courtyard, In the kindergarten, On the street, In the toy store, In the countryside, Walk in the forest, Easter, Excursion to the Zoo, Trip.* By completing the tasks, children enrich their vocabulary, improve their listening, writing and reading skills. After each adventure, the player also receives a diploma.

7.

Game *Word by word – a sentence is made!*

Players expand their Latvian vocabulary, learn grammatical forms, learn to form sentences according to the situations shown in the pictures. There are three levels of difficulty in the game, which are determined by the length of the sentence.

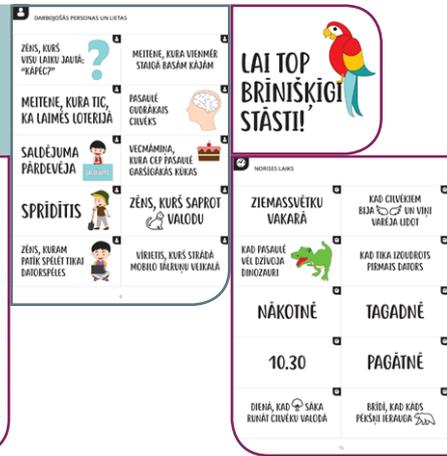

8.

Game *Tell this story, tell that story!*

Players improve their storytelling skills. The material consists of playing cards, which indicate the persons and things involved, the place and time of the event, as well as the additional conditions for creating the story.

9.
